

# RECOVERY CENTER

## OF THE OZARKS

### LIGHTING THE PATHWAYS OF HOPE

**Providing pathways of HOPE for those seeking a journey out of substance use disorder while enabling them to reclaim their lives and re-engage in society.**

*RCO's one-year peer-based residential experience encompasses each aspect of an individual's life through multiple pathways while providing access to all available resources.*

The holistic approach of recovery translates not only mentally and physically but aims to strengthen a person emotionally, spiritually, financially, socially and intellectually to improve an individual's quality of life while building recovery capital for the future.

Each individual in RCO's program willingly builds a new sense of purpose driven by accountability, self-respect and responsibility highlighting a positively changing identity grounded in the principles of honesty, integrity and selflessness.

**Located at Camp Jack**  
**411 South Pine St.**  
**Harrison, Arkansas**

## Light a pathway of HOPE

**Join our invested board of directors by contributing to defeat the stigma surrounding substance use disorder and become an RCO Partnering Member.**

All donations make a difference in recovering lives, including volunteering and sharing life skills.

**HOPE Donations** come in many different ways.

- Make a one-time donation of any amount
- Recurring monthly donations
- Yearly gifts
- Provide a scholarship for \$500/month

**Gift of HOPE** – A \$500 contributing gift can be paid monthly, quarterly or yearly and will help a resident within the RCO Recovery Program.

**Become an RCO Partner with a HOPE Donation**

- **HOPE Partner** – Any recurring monthly gift
- **Journey Partner** – \$1,500
- **Pathway Partner** – \$3,000
- **Recovery Partner** – \$6,000
- **Graduate Partner** – \$10,000
- **Mentor Partner** – \$25,000+
- **Volunteer Partner** – Time & Talent
- **Prayer Partners are our most valuable asset**

The cost for an RCO Resident averages \$500/month or \$6,000 for the complete program. This covers bed fees, food services and all recovery capital programs.
